

SAINT ANTHONY CATHOLIC SCHOOL
PERMISSION SLIP FOR ATHLETICS
*(And Other Extracurricular Activities)
2020 – 2021
Effective Date May 29, 2008

I, we the parent(s) of _____ request
(Student name)

St. Anthony Catholic School to allow our child to participate in _____
(Name of sport/activity)

We understand the school will attempt to provide reasonable supervision for our child. However, we understand that injuries can occur.

It is a privilege to be a part of the SAS Athletic/Extracurricular Program. Your child's participation in each and every practice, in and after school, is vital in having a successful season. If a practice or game/activity must be missed, please notify the coach/coordinator prior to the time of practice or the game/activity. Your child's position on the team is important, and the team depends on him/her to be at every practice or game/activity. Your child may be suspended from game time or activity; if he/she misses practice, grades fall below passing or conduct is not in order.

Before a student may begin practice:

- **The tuition balance and the lunch balance must be current. The Finance Manager can give the parents this information**
- **A student must have a physical exam to participate in the Athletic Program.**

Any parents interested in coaching in the program, contact the principal. All Safe Environment Training must be completed to help coach a team.
