

SCHOOL IMPROVEMENT PLAN

School: Saint Anthony Catholic School (SAS)

Date: As of 08/21/2018

Area Needing Improvement: Leadership, Personnel, and Governance

Improvement Goal 6: Principal, teachers, and advisory council will be committed to bringing the SAS students a quality Catholic education by means of training, decision making, and communication.

Activities/Strategies	Responsible Parties	Start	Complete	Evidence of Implementation
1. Six of the last eight years staff members have attended the NCEA National Convention. We would like to continue this practice and include parents and advisory council members.	SAS Advisory, Parents and Principal	2018	2021	The NCEA Convention in the Spring of 2018 was attend by three teachers.
2. To schedule organizational meetings/retreats with the different organizatioal leaders of the school, parish and neighboring parishes.	SAS Advisory, Principal, Church Council and Priest	2018	2021	To record the date, time, place, members present and the agenda for the day.
3. To increase the SAS membership of the Advisory Council.	Principal and Pastor	2018	2021	The SAS Advisory Council consist of eight voting member and three nonvoting members representing the three area parishes as SAS starts the 2018 - 2019 school year. Special people are selected who offer expertise in the current needs of SAS.
4. Teachers will be receiving Schoology training during the coming school years. Staff members are being trained by Schoology who inturn share with the staff	Principal and Homeroom Teachers	2018	2021	Sessions were held this summer to train 3 teachers. These three teachers held three workshops this last summer to train teachers in the use of the new program called schoology. Additional training will be ongoing this school year.
