

St. Anthony Catholic School (SAS) established in 1956 is approaching 60 years of providing a Catholic education for the children in the Columbus area. I have had the privilege of serving as the SAS principal for the past 12 years. I am a life time member of the St. Anthony Catholic Church.

When SAS opened in 1956, I was a first grader and graduated from SAS in 1965. My education continued at the Columbus High School and I graduated in 1969. After high school, I extended my education by attending Sam Houston State University in Huntsville and graduated in 1973. My teaching, coaching and administration career began in the Columbus ISD in 1974 and concluded in 2002.

I have been blessed over the years living and learning from exceptional teachers, coaches, priest, nuns, community, and family. I invite you to visit the staff and facilities to see why SAS offers the best opportunities for children to put Christ in the center of their lives.
